

For Immediate Release

Builders FirstSource Completes Acquisition of Empire Truss, Ltd.

December 23, 2014 (Dallas, TX) – Builders FirstSource, Inc. (NasdaqGS: BLDR), a leading supplier and manufacturer of structural and related building products for residential new construction in the United States, today announced it has purchased Empire Truss, Ltd. (“Empire”). The transaction, which closed December 22nd, represents the fifth acquisition Builders FirstSource has completed in 2014. Empire’s financial advisor during the transaction was Danny McQuary of Note Orius, Inc.

Empire is a Texas-based manufacturer of custom designed roof trusses and floor trusses, and a distributor of engineered wood products with its primary operations located in Huntsville, TX, approximately 65 miles north of Houston. Empire also operates a 30,000 square foot manufacturing facility in Ferris, TX, which is 20 miles southeast of Dallas. Empire’s primary focus is in the multifamily and light commercial segment. Their fiscal 2014 sales are estimated to be \$11 million.

Builders FirstSource’s President and Chief Operating Officer, Chad Crow, commented on the transaction, saying, “The acquisition of Empire provides us a well-respected truss business with operations serving the Texas markets. This transaction also gives us the ability to leverage the contributions of other recent Texas acquisitions, by providing complementary product offerings, additional manufacturing capacity and a more diversified customer base. We welcome the employees of Empire to the Builders FirstSource team.”

Casey Collum, co-founder of Empire Truss, will continue to run the operation under the Builders FirstSource banner. Speaking about the transaction, Mr. Collum, added, “Builders FirstSource is a leader in the building materials distribution and construction industry, and I look forward to the opportunities this transaction provides our company and our people.”

About Builders FirstSource

Headquartered in Dallas, Texas, Builders FirstSource is a leading supplier and manufacturer of structural and related building products for residential new construction. The company operates 56 distribution centers and 53 manufacturing facilities in 9 states, principally in the southern and eastern United States. Manufacturing facilities include plants that manufacture roof and floor trusses, wall panels, stairs, aluminum and vinyl windows, custom millwork and pre-hung doors. Builders FirstSource also distributes windows, interior and exterior doors, dimensional lumber and lumber sheet goods, millwork and other building products.
